... **stored** in the repository, to ascertain that the client has the full **data item**,
and **assigning** an **expiration** time to the **data item**, before which time ...

[APPLICATION] History preservation in a computer storage system
US Pat. App 10/752,958 - Filed Jan 7, 2004 - Permabit, Inc., a Massachusetts corporation
The **expiration** time assigned to the **data item** may depend upon **expiration** times
... is attempting to deposit a **data item** already **stored** in the repository, ...

[APPLICATION] History preservation in a computer storage system
US Pat. App 10752844 - Filed Jan 7, 2004 - Permabit, Inc., a Massachusetts corporation
The **expiration** time assigned to the **data item** may depend upon **expiration** times
... is attempting to deposit a **data item** already **stored** in the repository, ...

[APPLICATION] History preservation in a computer storage system
US Pat. App 10753125 - Filed Jan 7, 2004 - Permabit, Inc., a Massachusetts corporation
The **expiration** time assigned to the **data item** may depend upon **expiration** times
... is attempting to deposit a **data item** already **stored** in the repository, ...

[APPLICATION] History preservation in a computer storage system
US Pat. App 10752980 - Filed Jan 7, 2004 - Permabit, Inc., a Massachusetts corporation
The **expiration** time assigned to the **data item** may depend upon **expiration** times
... is attempting to deposit a **data item** already **stored** in the repository, ...

[APPLICATION] History preservation in a computer storage system
US Pat. App 10752732 - Filed Jan 7, 2004 - Permabit, Inc., a Massachusetts corporation
The **expiration** time assigned to the **data item** may depend upon **expiration** times
... is attempting to deposit a **data item** already **stored** in the repository, ...

[APPLICATION] History preservation in a computer storage system

US Pat. App 10752931 - Filed Jan 7, 2004 - Permabit, Inc., a Massachusetts corporation

The **expiration** time assigned to the **data item** may depend upon **expiration** times

... is attempting to deposit a **data item** already **stored** in the repository, **...**

[APPLICATION] History preservation in a computer storage system

US Pat. App 10753193 - Filed Jan 7, 2004 - Permabit, Inc.

The **expiration** time assigned to the **data item** may depend upon **expiration** times

... is attempting to deposit a **data item** already **stored** in the repository, **...**
